A MESSAGE FROM THE PRESIDENT DIRECTOR & CEO

We are thankful and grateful to God Allah SWT, who has given us happiness, healthy and love. In the era of globalization, mastery of knowledge and technology are the key.

Euro Management Indonesia assists students willing to study overseas obtaining the scientific knowledge and technology, proceeding to universities in 29 developed countries in the world such as Germany, France, USA, Canada, Netherland, UK, Ireland, Norway, Sweden, Denmark, Finland, Russia, Italy, Spain, Switzerland, Austria, Australia, New Zealand, Japan, China, South Korea, Saudi Arabia, UAE, Qatar, Kuwait, Turkey, Egypt, Malaysia & Singapore.

There are many benefits to Indonesian students who wants to study in developed countries, thus, they can experience studying abroad with a quality teaching system as well as International degree. Professional teaching and tuition fees are very cheap even free in some countries.

For high school students and university students who wish to continue their education in those countries, they often experience problems that are very disturbing to them in mastering foreign and new languages, furthermore the leveling process is quite complicated to be able to study at various universities in the countries.

Euro Management Indonesia, as a professional International Education Consultant, is expected to provide greater facilities and opportunities for Indonesian students who intend to continue their education in the 29 developed countries in the world.

BIMO SASONGKO, BSAE, MSEIE, MBA
PRESIDENT DIRECTOR & CEO
EURO MANAGEMENT INDONESIA

VISION

Building Indonesia's human resources that have high competitiveness, quality and international recognitions can face competition in the era of globalization. In addition to, Euro management creates on building the character of Indonesia's future leaders who are resilient, independent and professional.

MISION

With professional services, Euro Management could definitely help the students to continue their higher education in various universities in developed countries around the world.

Our company helps the registration process to various universities in 29 developed countries, globally, quickly, precisely, accurately and affordably in terms of cost.

Providing consultancy assistance to Indonesian students in preparing their studies in 29 developed countries in the world from various aspects, both in the educational, social and cultural aspects.

HISTORY

Euro Management Indonesia is an International Education Consultant who has a good commitment to help prospective Indonesian students who wish to continue his studies at various universities in 29 developed countries in the world, such as Germany, France, USA, Canada, Netherland, UK, Ireland, Norway, Sweden, Denmark, Finland, Russia, Italy, Spain, Switzerland, Austria, Australia, New Zealand, Japan, China, South Korea, Saudi Arabia, UAE, Qatar, Kuwait, Turkey, Egypt, Malaysia & Singapore.

The establishment of this institution aims to provide the widest possible opportunity for all prospective Indonesian students to be able to continue their studies at the undergraduate level S2 and S3 in developed countries of the world. The founders argued that opportunities for study abroad have a variety of advantages and benefits that are quite competitive. Due to limited information, many prospective Indonesian students are unaware of these opportunities.

Until now, Euro Management Indonesia has sent more than 2000 students to study to developed countries in the world. Hopefully in the future the opportunities to study in these countries will become easier and more widely known for students and public.
